**Emma Gaudern** of BHP talking about Court of Protection; Costs for Schedules and Current Practicalities.

Emma has recently joined the Court of Protection team of BHP, bringing with her a wealth of experience of Court of Protection matters. She acts for many Court of Protection clients and has real experience of the difficulties encountered by clients post-settlement. She is regularly called upon to provide witness statements in order that Court of Protection costs are correctly framed for the Schedule of Loss. Her private client work is extensive, enhancing the BHP team's abilities to provide comprehensive client service.

**Jennifer Stone** of Nestor Partnership talking about Periodical Payments and Lump Sums; Current issues including the discount rate, reasonable security and *Roberts v Johnstone* issues.

Jennifer is one of the most experienced Independent Financial Advisers in the country in this specialised area. She works mostly with claimants and not only acts as an expert witness for pre-settlement issues, but also acts for clients with around £40 million under management post-settlement.

**This seminar is suitable for solicitors and barristers with reasonable working knowledge of high value claims wishing to gain wider knowledge in these vital areas.**
